

CARROL AVENUE QUEBEC TERRACE

SILVER SPRING, MARYLAND

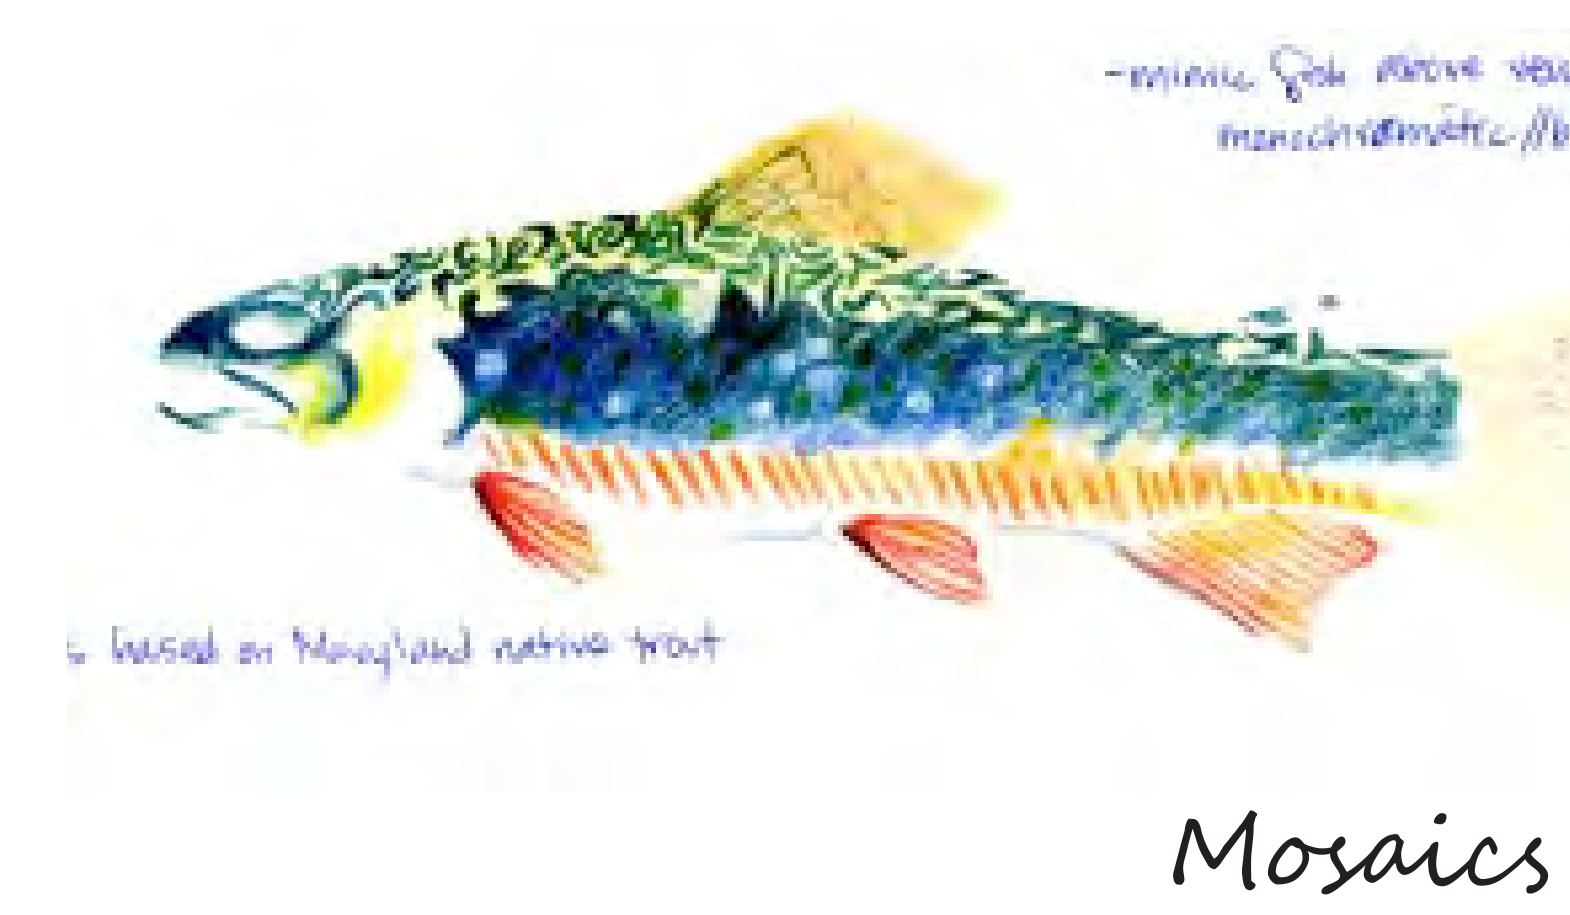

SURVEY RESULTS:

- Exercise (19)/Sports (18)- The lawn area can be used for a variety of sports and active games
- Birthday parties (17)- The arbor and patio area will provide a nice place for the community to gather for large scale events including birthday parties
- Gardening (14)- The terraces with community gardens will provide an opportunity for community members to maintain gardens planted with whatever they chose
- Cookouts (12)- The grills provided on the patio area will allow the community members to have cookouts and eat outside when the weather is nice
- Play music (11)- The stage will allow the community to hold events such as concerts, plays, or presentations by speakers
- Talk while kids play (11)- The ample seating will provide a variety of choices for parents who want to be able to watch their kids and socialize with other adults at the same time

CARROL AVENUE QUEBEC TERRACE

SILVER SPRING, MARYLAND

DESIGN GOALS:

The goal of this design is to provide a safe environment that can be enjoyed by all members of the Carroll Avenue Quebec Terrace community. To ensure that this area will be used by most members of the community, the suggestions of the community members were carefully considered and the resulting design incorporates a variety of uses to provide something for everyone. To help unify the area and create a welcoming environment, the artwork of apprentices in the Arts on the Block program will be incorporated throughout the site.
