

WSP is currently initiating a search for an **Associate Landscape Architect** in **Baltimore, MD** to support a variety of rail, bridge and transportation roadway projects. Resumes will be accepted through WSP's career site at www.wsp.com under the following requisition: [Baltimore - Associate Landscape Architect - #1312](#)

Duties and Responsibilities:

- Completes designs for applicable projects, prepares landscape architectural design plans, construction details, construction estimates, and contract specifications
- Prepares project specifications including compiling and analyzing relevant data
- Conducts field work, site investigations, and construction inspections gathering information and compiling reports for management
- Performs landscape architectural construction related services
- Prepares technical reports and assists in the development of proposals
- Prepares CAD landscape plans
- May plan, schedule, coordinate, and oversee the work of lower-level landscape architects

Minimum Qualifications:

- Bachelor's Degree in Landscape Architecture or related discipline
- 1 -3 years of experience working on landscape architecture planning, design and construction services assignments associated with transportation and infrastructure projects
- Experience with landscape architectural site design tasks including scope and fee proposals; site, planting and hardscape design; specifications; cost estimates; and QAQC review
- Knowledge of or experience with environmental applications of landscape architecture including tree/forest inventory; forest stand delineations; forest characterization; tree protection, maintenance and mitigation; preparation of Forest Conservation Plans, reforestation plans, and Roadside Tree Law applications; and storm water management planting design
- Excellent technical writing skills and proficiency with Microsoft Office, AutoCAD, MicroStation and Google SketchUp
- Exercise responsible and ethical decision-making regarding company funds, resources and conduct and adhere to WSP's Code of Conduct and related policies and procedures
- Proven track record of upholding workplace safety and ability to abide by WSP's health, safety and drug/alcohol and harassment policies

Successful applicant must be able to provide proof of vaccination against COVID-19 prior to their start date or prior to December 8, 2021, whichever is later, or be granted an exemption based on a disability or sincerely held religious belief. If you cannot receive the vaccine because of a disability or a sincerely-held religious belief, you may submit an **accommodation request** to WSP's Equal Employment Opportunity Office. Learn more about the COVID-19 vaccination here - <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/index.html>.
