Landscape Designer/Entry Level (Burtonsville, MD) – Full/Part Time

Established design-build landscape firm catering to both residential and home building clients is seeking a highly motivated and organized individual to join our team.

This entry level position will assist with both small and large scale projects and learn to manage projects from the initial consultation and design phase through project management. Successful candidate will learn all aspects of landscape and hardscape industry. Knowledge of deck design and construction practices are a plus.

Job Requirements/Responsibilities:

- Meet with clients to discuss needs, and provide professional guidance
- Site visits: measurements, pictures, etc.
- Collaborate with experienced Landscape Designers and Landscape Architects to develop conceptual designs and accomplish complex projects.
- Prepare (scaled) drawings and renderings.
- Calculation of labor, material costs and markups for each job (Gathering current pricing from vendors, negotiate pricing to meet both client and company needs)
- Assist production staff with procurement of materials as well as scheduling and installation of projects.

Qualifications:

- Degree or sufficient coursework in Landscape Architecture/Landscape Design.
- 1-2 years of design experience preferred.
- Sales and customer service experience a plus.
- Knowledge of mid-Atlantic plant and hardscape materials a plus.
- Proficient knowledge of AutoCAD, Adobe Photoshop, Adobe Illustrator, and SketchUp.

This position is available for immediate placement (full or part time). We offer a competitive entry level compensation package.
