

## Harvest Technician

### **What You'll Do:**

You will be responsible assisting the Cultivation team with routine labor duties. This will be accomplished by performing various tasks in the cultivation area. You will also be responsible for harvesting crops and post-harvest activities such as drying, curing, destemming, and machine-trimming.

### **What You'll Need:**

You will have a green thumb and experience with harvesting plants in a work or home setting. Previous landscaping, agriculture or horticulture experience is a plus.

### **What We Do:**

Curio Wellness is cultivating a better way of life. As a trusted healthcare partner providing safe, reliable and effective products, we seek to continually elevate the healthcare conversation through education and patient experiences that are truly transformative. Whether for our patients, partners or employees, we seek to inspire and affect innovative healthcare solutions.

As a premium medicinal cannabis brand, we're devoted to the highest safety and hygienic standards through every step of the process. Our best-in-class facility employs the best practices of highly experienced agronomy and pharmacology professionals.

### **What We Offer:**

- Competitive pay
- A comprehensive benefits package that includes medical, dental, and vision plans, life and AD&D insurance, 401K, Short Term Disability, Dependent Care FSA, HSA, Tuition Reimbursement and PTO
- Employee discount on all our Wellness Center products.
- An exciting opportunity to have a huge impact within a rapidly growing industry!
