

Landscape Architect / Designer

Morris & Ritchie Associates, Inc. (MRA) is an architecture, land planning, and engineering firm with offices throughout the mid-Atlantic region. Our full-service, in-house team provides surveying, land planning, engineering, and construction phase services for a diverse range of clients whose success is critical to our business.

MRA is seeking a Landscape Architect with 0 to 5 years of experience in site planning and landscape design for our office in Laurel, Maryland.

As Landscape Architect, you will work on a diverse range of commercial, institutional, residential and mixed-use projects. Experience should include preparing layouts, grading, and landscape design plus the desire to work on land development projects. Proficiency in a wide range of design software such as Auto-CAD, Sketch-Up, Adobe Illustrator, Photoshop, InDesign and Power Point is desired.

REQUIREMENTS:

- Bachelor's degree in Landscape Architecture
- Experience in site planning and landscape architectural design preferred, not required
- Graphic design presentation skills are a plus
- Excellent verbal & written communication skills
- Fluency in Auto-CAD required; other design software such as Photoshop, Adobe and Power Point preferred
- Private Sector Experience preferred.

MRA has the resources, diverse project knowledge, and stability to provide an excellent place to build your career. In addition to providing an excellent salary commensurate with experience, MRA provides a comprehensive health care package, paid time off, 401K with fully vested company match, educational assistance program, company picnics and events, and much more!

Interested candidates should send a resume to Pam Blackwell at pblackwell@mragta.com
