

Landscape Specialist II  
Columbia, MD  
Full Time with benefits

**Job Description:**

Columbia Association manages park and recreation facilities for residents of Columbia, MD including fitness clubs, pools, tennis and golf clubs, an extensive open space system, and spaces for community gatherings. The Landscape Services team has an immediate opening for a Landscape Specialist II who can organize and execute routine maintenance activities with limited direct oversight. Candidates should be familiar with common landscape plants and be able to operate a variety of tools used in landscaping. Year round outdoor work. No mowing. Courses or other formal training in landscape management or horticulture is preferred, but not required. Two years of work experience in landscaping or grounds management is preferred, but not required. Compensation is commensurate with education and experience.
