

Sparks at Play is committed to making communities a better place through play. Our staff brings together expert knowledge of playgrounds, proprietary installation techniques, design and color consultation, business acumen and project management skills to help clients solve their needs on a number of key creative and business levels.

We are looking for an experienced CADD Technician who is passionate about play to join our team. We believe that good play space design and execution can have a wide ranging effect on the community in which they are built. Inspiring families and communities to come together, play, build stronger community ties and provide a higher quality of life. For a better tomorrow, we play today.

This position works with internal and external partners to develop playground plans and assist in the development of the design/construction documents for playground projects. We will train our proprietary playground design software.

Key responsibilities include:

- Coordinate design efforts with product manufacturers to ensure constructability, communicate design intent and client desires, and to keep project within established budgets and site constraints.
- Assist estimators by providing necessary information relating to products, square footages, dimensions, and layouts.
- Support Project Management with pre-construction plans and documents needed for on-site work.
- Assist Post-Sales Team by providing necessary information to ensure accurate ordering of materials including assistance with submittals and ordering documents.

Requirements:

- Associate's degree or equivalent from two-year college or technical school in a related field; or related experience and/or training; or equivalent combination of education and experience.
- Ability to read and interpret Landscape Architectural and/or Construction drawings
- Understanding of construction processes, project planning, and sales.
- Ability to manage multiple long-term design projects and quick-turn around project simultaneously.

Benefits:

- Competitive salary
- Company paid health insurance
- Paid time off
- Paid sick time
