

PLAN OF STUDY
Plant Science (PLSC) Graduate Program

Student Name/UID: _____ Major Professor: _____

Degree Objective: M.S. Ph.D. Year/Semester Enrolled _____

I. Admission Provisions (if any):

II. Course Requirements:

Refer to the PLSC Graduate Program Handbook for details.

III. List by semester all coursework completed and planned for the M.S. or Ph.D. degree. Attach a separate sheet if more space is required.

M.S Degree

Year	Semester	Course No	Title	Credit
		PLSC608	Research Methods	2
		PLSC618	Advances in Research; Critiquing Primary Plant Science Literature	1
		PLSC619	Seminars in Plant Science and Landscape Architecture	1
		PLSC799 (6 total credits)		

***30 total hours of coursework; 12 at 600- level or higher**

Ph.D Degree

Year	Semester	Course No	Title	Credit
		PLSC608	Research Methods	2
		PLSC618	Advances in Research; Critiquing Primary Plant Science Literature	1
		PLSC619	Seminars in Plant Science and Landscape Architecture	1
		PLSC898	Pre-Candidacy Research	
		PLSC899	Doctoral Dissertation Research
