Outcome of the qualifying examination

The student has (passed or failed) _____ the qualifying examination.

It is the responsibility of the student to submit an application for admission to candidacy when all the requirements for candidacy have been fulfilled. Applications for admission to candidacy are made by the student and submitted to the graduate program for further action and transmission to the Graduate School. Applications must be received by the Graduate School prior to the 25th day of the month in order for the advancement to become effective the first day of the following month.

If the student failed the exam, a second trial of the exam can be scheduled between 3-12 months from this examination date
