Wambui Ippolito was born in Nairobi, Kenya and was influenced by her mother's gardens in Nairobi and the landscape surrounding her family's farm in the Great Rift Valley. In 2021, Veranda Magazine named her one of 11 revolutionary female Landscape Architects and Designers you should know. She works in New York City where she lives with her husband and 8 year old daughter. She is signed to Timber Press and the Hachette Book Group.
