Title: Assistant Research Scientist
Position Number: 125761
Category Status: Faculty, Non-tenured, continuing and term contract, 1.0 FTE
Unit: Joint Institute for Food Safety and Applied Nutrition

Position Summary/Purpose of Position:
JIFSAN, a joint program of the University of Maryland and the U.S. FDA, is seeking an Assistant Research Scientist to collaborate with CFSAN FDA Scientists to perform LC/MS/MS for the detection of select food allergens in foods and food products, specifically developing an LC/MS/MS protocol for the detection of milk, egg, and peanut in food products as well as developing a mass spectrometric method for the determination and differentiation of tree nuts.

Responsibilities:
- Designing and carrying out LC/MS/MS experiments to identify unique peptide markers for food allergens.
- Applying data to create databases that can be utilized for identification of allergens in foods and food products.
- Preparing manuscripts and presentations.

Qualifications:
- Ph.D. in Chemistry or related equivalent field.
- Possesses a minimum of five years post-doctoral experience with the application of mass spectrometry to proteomics.
- Extensive and demonstrated experience performing proteomic analysis using mass spectrometry.
- Full professional proficiency in English, written and spoken.
- Ability to operate and maintain a safe, accident-free laboratory environment, safely and properly operate specified laboratory instruments and equipment, and troubleshoot all equipment in the chemistry laboratory.
- Possesses a strong knowledge of mass spectrometric data handling and processing, a strong understanding of proteomic data analysis, and an intimate knowledge of triple quadrupole and Orbitrap mass spectrometers.

Salary & Benefits:
Salary will be commensurate with experience. The University of Maryland offers an extensive benefits package.

Application:
All candidates must apply online at https://ejobs.umd.edu. A complete application packet includes a cover letter, CV, unofficial academic transcripts, and three (3) professional references, including name, mailing address, telephone number, and e-mail address.

The University of Maryland, College Park, actively subscribes to a policy of equal employment opportunity, and will not discriminate against any employee or applicant because of race, age, sex, color, sexual orientation, physical or mental disability, religion, ancestry or national origin, marital status, genetic information, political affiliation, and gender identity or expression. Minorities and women are encouraged to apply.
